Attorney Docket No. 592/3

The required fee of \$920 (which includes fees for this petition and for the accompanying RCE) has been submitted with the attached credit card form. It is Applicants' understanding that the filing of the attached RCE resets the clock for purposes of the block to be checked and the fee to be paid for the IDS. Thus, Applicants believe that the amount stated on the attached credit card form covers all fees needed for this petition and attached documents. However, the Office is authorized to deduct any additional fees believed due from, or to credit any overpayment to, our deposit account No. 11-0223. We respectfully request that the Petitions Office telephone the undersigned if there are any issues preventing action on this petition.
